

Lyman Orchards Monday Golf League Newsletter

Results – August 24th 2020

Weather – Delay for 20+ minutes for a nasty storm north of the course. We missed the much needed rain!!!

Participation - We used 9 subs and had 100% participation.

Thank you. I was afraid of a few no shows due to the storms passing thru!

Congratulations to the Monday league!

Even in a shortened season we managed to play all 13 weeks and had 100% participation.

New Record – Again the Monday league set another record. See the Birdie section below!

Standings

The complete final standings thru Aug 24th are posted on the [Lyman Web Site](#)

The handicaps and Birdie info is also up to date and posted!

The website link is posted at the bottom of this email.

Team #33 vs #42 will play for the Monday Championship

Birdies The league finished strong with a combined **33 Birds** this week.

In a shortened season the [Monday league](#) broke the birdie record with **297 Birds** breaking the full season record in 2018 of 291 birds. At this pace the Monday league could have reached the high 300's.
