

Lyman Orchards Monday Golf League Newsletter
Results – April 22nd 2024

Weather – Sunny and cool in the 60's

Participation - We used 11 subs and had 100% participation

Pace of Play – The ongoing “cart path only” due to the wet roughs continues to be a headache. The roughs are still way too wet to get the heavy machinery in to cut. It definitely adds minutes to the round! We still need to do a better job getting on and off the tees and greens. Additional observations, sitting in your carts writing down scores when you should be moving out the way. Leaving your cart in a location that you are always backtracking. Not taking enough clubs with you when heading out to your next shots. Or, not taking any clubs and walking out twice to your ball. We need to play ready golf. We need to learn ready golf! Everyone needs to step up.

Monday April 29th

The schedule for April 29th is posted on the web site.

If you need a sub and have not already requested one, please do so by Friday.

I have plenty of subs on the list to fill in.

Buffet – No need to reply now, but I will be canvassing for comments on the welcome back buffet this week. I was very happy with the verbal response on Monday. Please wait until my official email goes out.

Birdies and Best Rounds

If we missed your birdie, please let us know!! Thank you.

The league combined for a total of 7 birds

Date	Course	Names	Gross	Net
4/22/2024	JB	Tom Muzik	39
