

Lyman Orchards Tuesday Golf League Newsletter
Results – April 23rd 2024

Weather – Mostly sunny, breezy, really cooled off fast.

Participation - We used 7 subs and had 100% participation

Pace of Play – despite the wet conditions, high roughs that we cannot get the heavy machinery in to cut and cart path only it was slow. I still believe that playing ready golf would shave off the 15 minutes we need to finish in daylight. First groups out took 2:35 for nine holes.

Tuesday Standings and Next Schedule

The April 23rd standings are now posted on the web site. Site address posted below.

The April 30th schedule is posted and will be updated Sunday with the latest handicaps.

Birdies and Best Rounds

If we missed a birdie or a best score, please send me an email with the information and we will update the league records. Thank you.

The league combined for a total of 5 birds
